**1. BY-LAW 2.67 – "Practice Policy for Heat and Humidity"**

(a) Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (including during the summer) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:

1. The scheduling of practices at various heat/humidity levels
2. The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels
3. The heat/humidity level that will result in practice being terminated

(b) A scientifically approved instrument that measures Wet Bulb Globe Temperature (WBGT) reading must be utilized at each practice to ensure that the written policy is being followed properly. WBGT readings should be taken every hour, beginning 30 minutes before the beginning of practice.

(c) **Practices are defined as:** the period of time that a participant engages in a coach-supervised, school-approved sport or conditioning-related activity. Practices are timed from the time the players report to the field until they leave. If a practice is interrupted for a weather-related reason, the "clock" on that practice will stop and will begin again when the practice resumes.

(d) Conditioning activities include such things as weight training, wind sprints, timed runs for distance, etc., and may be a part of the practice time or included in "voluntary workouts."

(e) A **WALK THROUGH** is not part of the practice time regulation, and may last no longer than one hour. This activity may not involve conditioning activities or contact drills. No protective equipment may be worn during a walk-through, and no full-speed drills may be held.

(f) Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a "cool zone" where players are out of direct sunlight.

**PENALTIES:** Schools violating the heat policy shall be fined a minimum of \$500.00 and a maximum of \$1,000.00.
